

It is beginning to look and feel a lot like Fall...

With the summer months past and it is starting to look and feel like fall, the Chamber would like to provide the opportunity to recognize the whimsical, fanciful homes/yards that will be decorated with Halloween or Fall themes. A map will be generated for those wishing to submit their home along with a \$5.00 entry fee. The proceeds from the listings will go towards the Chamber of Commerce Scholarship, awarded to a male and

female Osage City High School graduate that is furthering their education at an accredited college or trade school. The map will be available for people to drive around the community at their convenience to enjoy the creativeness of the homes submitted. **Deadline for entries will be the morning (10:00 a.m.) of Halloween, October 31.** Submit your entry fee and information at Prairie Dog Art & Gifts, 530 Holliday Street, Osage City. A selection of the home/yard will take place Friday, November 1. In appreciation of the creative, whimsical, fanciful selection, the selected home owners will receive a \$25 Osage City Chamber Buck Certificate to be used at an Osage City participating business.
